Coaches:

I hope you all have had a wonderful holiday season to date.

- **Jerseys-** They are here! Please make sure to pass out jerseys based on size, not the number. When handing out the jerseys, please make a note of who has what number jersey to complete the score sheet.
  - Jersey Sizes- We do the best we can based on general sizing. Please try to arrange for sizes amongst your team to find the best fit.
- **Coaches Shirts-** Please make sure to pick up your coaches shirts when picking up the jerseys. Any coach/parent sitting on your bench with the players should be wearing a coaching shirt. Only coaches that have been approved will be issued t-shirts and are allowed to be sitting on the bench during games.
- **Coaching Forms-** Please make sure to complete the [Coach Code of Conduct](#) and the [Coaches Concussion Form](#). If you have not already turned it in, please do so at the first scheduled game. I am still missing several forms, so please make sure that you have printed those and they are ready to turn in with the team forms.
- **Score Sheets** are located on the website- Please note that there are 4 different ones- please select the one for your grade.
  - When completing the scoresheet, please put the first and last name of the player next to the number of the jersey that they were given. This can be used as a tool to track who has a jersey.
- **Parent Forms-** Please keep all of your parent forms with you until the first scheduled game. The site supervisors will ask you to turn them in at the first scheduled game. You will turn in the Parent/Player Code of Conduct and the Lystedt Concussion Compliance Form. Please keep the Emergency Information Form.
- **Gym Closures-** Please continue to monitor the list as there are always updates.
- **Roster-** If you have an open spot on your roster, please email me. We have tried to place as many kids from the wait list, but let me know if you still have a spot.
- **Schedules-** all schedules are posted on the webpage(scroll down page). Please direct your parents to the site for game information. For those playing at the Renton Community Center, the schedules are also posted in the hallway and for those at Highlands Neighborhood, there will be extra schedules available at the site.

**Note:** Anything underlined above is a link directly to the Basketball Page or to the form that it is referring to where you can find information pertaining to the league. .

Have a safe and Happy New Year!
