New Phone Number Replaces 911 for Non-Emergency Calls

425-235-2121

Goes Into Effect on September 16, 2013

For many years, residents of Renton have been asked to call 9-1-1 for all police, fire, and animal control responses, regardless of whether an emergency existed. Beginning September 16, Renton and all emergency service providers who are dispatched through Valley Communications will have new numbers for reporting non-emergencies.

The population of our City has grown over the years, and the proliferation of cell phones has also contributed to the complexity of our 9-1-1 system. “Diverting non-emergency calls from 9-1-1 to the ten-digit non-emergency number makes sense to our community. Many of us grew up with the understanding that 9-1-1 was for emergencies only, and were uncomfortable calling it for non-urgent reasons,” said Chief Kevin Milosevich.

Residents are encouraged to use 9-1-1 responsibly. Examples of when to call 9-1-1 include serious medical emergencies, any type of fire, any crime in progress, any dangerous and/or life threatening emergency, any suspicious activity, and any time a person fears for their safety or the safety of others. *If you are not sure if your situation is an emergency, you are encouraged to call 9-1-1.*

Renton’s new non-emergency number, 425-235-2121, is for non-emergency situations where police, fire department, or animal control is needed. Some reports, such as lost property, abandoned vehicles, theft and vandalism under \$1,500, and non-injury hit-and-run accidents that occurred in Renton, can be made online on the City of Renton website at www.rentonwa.gov.

Additional information on the transition to calling 425-235-2121 in Renton for non-emergencies can be found on the City’s website at www.rentonwa.gov. A list of non-emergency numbers by zip code can be found on the King County website at www.kingcounty.gov/linksbyzip.

National Night Out 2013

Philip Arnold Park

On Tuesday, August 6th, the City of Renton hosted National Night Out at Philip Arnold Park on 'Renton Hill'. There were approximately 650 people who joined us in "Giving a Going Away Party to Crime and Drugs!"

Attendees enjoyed delicious barbeque provided by the City of Renton Neighborhood Program. Attendees were able to connect with personnel from our Police and Fire Departments, as well as Mayor Law and members of City Council. Children who attended had the *most* fun while having their fingerprints taken for Child ID kits, playing with police and fire personal, participating in safety games, and bouncing on party hoppers. . A big thank you to all the volunteers who helped make this event such a great success, and a special **THANK YOU** to those who came out to enjoy the festivities with us! I also wanted to recognize those neighborhoods who held their own private National Night Out events in their own neighborhoods. Thank you for all your hard work and efforts.
